The unit presidents meeting began at 7:30. President Bill Zubke announced that units could apply for the \$100 membership promotion money until May 15, 2018. The 2019 volunteer form was distributed. Units were requested to submit updates to their officer list at anytime during the year. The Reminiscent Teacher essays currently on the website will remain there but be placed under a heading reflecting their historical nature. Bill asked the group to remember to honor your members whenever possible.

From the membership, a request was to have the forms on line be fillable PDF forms.

Cathy Zubke explained the membership list codes and how the unit totals were achieved.

The unit presidents were asked to present their best practice for the year and a comment about membership retention.

Sioux Falls – Cathy Anderson discussed how her unit enjoyed doing something for someone else. Church on the Street is a place where once a month, people on the street are served. People get involved helping others.

For membership, they work diligently to get the list of newly retired teachers and school personnel. This task is becoming more difficult due to privacy laws.

Pierre – Lu Heibel commented that many people came to their meetings when they were learning about the new hospital, when the Superintendents from Pierre and Ft. Pierre came to talk, and when the topic was Japanese prior to the Humanities program about Japanese Culture.

For membership, they beg, write letters, and talk with possible members in hopes that one of the communications will bring them into the membership of the organization.

Black Hills – Jacque Sly reported that they spent the year talking about “What’s Happening in Our Schools.” When Charity Doyle spoke about the Homeless Transition Campus, our members were very interested.

For membership, we send an announcement sheet, The Bulletin Board, to 150 members every month. It includes specific times and places for the meetings. There are also general announcements for other educational events.

Watertown - Pam Raeder noted that people come for fudge and to hear Bill Zubke! She said we take other groups’ ideas: hobbies, what’s on your wall, have Chesters Chicken. We are going to the Vinegar Museum. We gave sack lunches to everyone in the school.

For membership, we need your ideas.

Brookings – Judy Kroll announced that their folks are talking about disbanding. The best programs were when the legislators came to speak and when SDRS talked about the retirement funds.

Winner – Donna Brozik shared that their best and most informative meetings were when the Chamber of Commerce Executive Director told us what they do and when the kindergartners sing at our last meeting of the year.

For membership, we have special invitations to the new retirees. She invites them to her home to talk about the value of belonging to the organization.

Redfield – Deann Zens was proud of the 27 years of the county spelling bee for grades 1-8.

For membership, she said she joined when someone called her on the phone.

Milbank – Rhonda Preller noted that their best meetings were the Mini-Health Fair, Spa Day (where seniors in high school did their nails), and Feature Teacher (where they tap their own talent). For their last meeting of the year, they will be going to the school where the students will perform on the stage and the retirees will have their own furnished lunch.

Northern Hills – Joanna Jones commented that one member shared the wooden toys that his group makes for children.

For membership, we hope that tapping the third year retiree will have better results.

Vermillion – Sharon Donahue indicated that they had the new Superintendent and the local pharmacists.

For membership, they are going to try the “Protect your Pension” as a reason to join.

Philip - Kay Ainslie said that they have AARP & RT meetings together with a soup supper. Their speakers have included the mayor, the business manager from school, the CEO of the hospital, and the Attorney General.

For membership, people come to the meetings but they don't join.

Madison – Deann Molskness beamed when she shared the information about the Prairie Village. The Merry-Go-Round will return this summer after being gone for two years for repair. The members come out to clean the Prairie Village school building and host visitors during Prairie Village Days.

Other presentations were about having women know something about the family finances and women traveling alone. They also learned about the Lions Eye Bank and a local domestic violence program.

Yankton – Donna Fischer reflected on their year of honoring the past, present and future. The Back to the 50's meeting was very good. They also had programs on what the law enforcement is doing in their town, Innovative Art, the Mead Cultural Education Center, and the sack pack program.

Aberdeen – Betty Beyer is pleased to have gotten new members and they had programs presented by the librarians from the new library and by the museum folks. For one meeting, we asked everyone to bring a joke.
